

Partner with Saviynt for Predictable Outcomes Training

Training Datasheet

Authored by: Saviynt University

Learning Path Overview

Partner with Saviynt for Predictable Outcomes training is exclusively tailored for sales leaders, managers, and pivotal decision-makers within the Saviynt partner network. This learning path equips you with the essential introduction to Saviynt Identity Cloud Delivery methodology and how to utilize it to implement best practices, manage risks, build quality, promote collaboration, and establish predictability in your Saviynt Identity Cloud deliverables. This learning path also helps you design a successful Identity Program, walks you through several success packages provided by Saviynt, including an Expert services package, support, and training packages, and gives you insight into the future product roadmap. This training is built on the latest version of the Saviynt Identity Cloud.

Learning Path Duration

- 2 hours of learning content
- 50% lecture and 50% demo

Target Audience

- IAM Managers & Sr. Managers
- Identity Practice Leads
- Saviynt Architects and Consultants
