

## Partner with Saviynt for Predictable Outcomes

### Training Datasheet

Authored by: Saviynt University

### Course Overview

Partner with Saviynt for Predictable Outcomes is exclusively tailored for sales leaders, managers, and pivotal decision-makers within the Saviynt partner network. This course will equip you with the essential introduction to Saviynt Identity Cloud Delivery methodology and how to utilize it to implement best practices, manage risks, build quality, promote collaboration, and establish predictability in your Saviynt Identity Cloud deliverables.

This course also helps you design a successful Identity Program, walks you through several success packages provided by Saviynt, including an Expert services package, support, and training packages, and gives you insight into the future product roadmap.

#### Course Duration

- 2 CPE hours of on-demand video content

#### Target Audience
